UNSTARRED QUESTION NO:3367
ANSWERED ON:20.03.2001
SETTING UP OF INSTITUTES OF BIO-RESOURCES
ANANTA NAYAK

Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) the number of Institute of Bio-resources set up in the country, location-wise;

(b) whether the Government have proposed to set up any new institute of Bio-resources during 2001-2002; and

(c) if so, the details thereof, location-wise ?

Answer

MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI BACHI SINGH RAWAT)

(a) : There is an Institute of Himalayan Bioresource Technology at Palampur, Himachal Pradesh as one of the constituent laboratories of Council of Scientific and Industrial Research (CSIR). The Government has recently approved the establishment of the Institute of Bioresources and Sustainalble Development (ISBD) at Imphal, Manipur, as an autonomous institute under the Department of Biotechnology.

(b) & (c) : As of now the Government have no proposal to set up any other new Institute of Bioresources during 2001-2002.
